

Soil & Water Lab

at the 2017

ASABE Annual Meeting

Will Pluer | Monday 5-7pm Poster 29 | Room 111ABC | **Enhanced Denitrification in Road Ditches with Bioreactors**

Lisa Watkins | Monday 5-7pm Poster 96 | Room 111ABC | **Relating Microplastic Concentrations over time to Potential Sources in Freshwater Streams**

Tammo Steenhuis | Tuesday Oral Presentation | 4:15pm | Room 205 | **Designing Erosion and Nutrient Control Practices in Watersheds in Humid Regions: Lessons Learned**

Bahareh Hassanpour | Tuesday Oral Presentation | 3:05pm | Room 303B | **Removing Atrazine from Agricultural Drainage Water Using Woodchip Bioreactors: Effects of Biochar Amendments**

Erin Menzies | Wednesday Oral Presentation | 8:50am | Room 206B | **Returning Degraded Soils to Productivity: Nutrient Losses from Directed Fertilization of Woodchip Amended Soils**

Christine Georgakakos | Wednesday 10-12pm Poster 38 | Room 111ABC | **Proof of Concept: Tracing Septic Pollution Sources using DNA Nanobiotechnology**
